DISTRICT OF DELAWARE**

Case No.: 22-11068 (KBO)

Related Docket Nos.: 31148, 32231

2025 AUG 20 A 11:18

CLERK
U.S. BANKRUPTCY COURT

**SUPPLEMENTAL STATEMENT OF SHIRONG WANG REGARDING CLAIM
NO. 38517**

Honorable Judge Owens:

I, **Shirong Wang**, respectfully submit this supplemental statement to clarify the procedural history and correspondence related to my allowed claim and the Recovery Trust's request that I withdraw my pending court letter.

1. Claim Background

- **Original Claim Number:** 24587
- **Updated Claim Number (as amended and allowed):** 38517
- **Allowed Claim Amount:** USD \$351,005.17
- **Current Status:** The claim portal records the amount of \$351,005.17 with the status "Asserted," but in an email confirmation from counsel it is explicitly stated as "Allowed." I have completed all pre-distribution requirements, and my Kraken account is fully linked and ready to receive funds immediately.

2. Procedural Timeline

(a) First Proposal – August 8 2025 ("Proposal A")

- I received an email from FTX counsel **Alexa J. Kranzley** requesting that I withdraw my court letter (Docket No. 32231).
- I responded with **Proposal A**, stating that I would only consider withdrawal if I received formal written confirmation of the following:
 1. My claim (#38517) remains valid, allowed, and in good standing;
 2. I am fully included in the **September 30 2025** distribution eligibility list, and the "Disputed" status shown in Step 9 will not affect my inclusion;
 3. Withdrawing my letter will not prejudice my rights in any way or limit my ability to raise issues with the Court in the future if necessary.
- Counsel replied with the informal phrase "confirm the following points" and, in the signature block, incorrectly spelled my name as "**Wan Shirong**" instead of the correct "**Wang Shirong**." I consider this reply to lack the formality and legal enforceability necessary to protect my rights.

(b) Second Proposal – August 8 2025 (“Proposal B”)

- Due to the lack of formal written confirmation, I sent **Proposal B** later the same day, reiterating the above conditions and additionally proposing an advance administrative payment before the **August 12 2025** hearing.
- My circumstances include:
 - Severe current financial hardship;
 - Advance payment before the hearing would allow me to withdraw my court letter, saving court time and resources;
 - Early payment would not alter the ultimate distribution result but would alleviate my urgent situation.
- As of **August 11 2025**, I had not received any substantive reply to **Proposal B**.
- On **August 11 2025**, I sent a follow-up email urging counsel to respond, but to date, I have still received no reply. I have printed and archived all email correspondence with FTX counsel and submit them to the Court as part of this statement.

3. Position

I have made two good-faith proposals aimed at resolving this matter without further litigation. Both proposals are reasonable, compliant, and in the interest of procedural efficiency. However, the Recovery Trust has failed to provide formal written confirmation or a timely substantive response, leaving my court letter (Docket No. 32231) in place to protect my rights.

4. Request

I respectfully request that the Court:

1. Take note of my good-faith efforts to resolve this matter cooperatively;
2. Direct the Recovery Trust to provide the necessary formal written confirmation or a substantive response to **Proposal B**;
3. Alternatively, maintain my current letter and objection on the docket until I receive sufficient assurances.

I will present all email correspondence with counsel and respectfully request that Your Honor oversee the Recovery Trust’s fulfilment of its commitment to pay my Claim No. 38517 on or before **September 30**. I no longer have the strength to endure another delay. Thank you, Your Honor, for taking the time out of your busy schedule to read my case file and to hear my voice.

Dated: August 17 2025

Respectfully submitted,

Shirong Wang

-

**Proposal for Immediate Administrative Payment and Withdrawal of Court Letter –
Claim No. #38517**

Shirong Wang <[REDACTED]@gmail.com>

8月8日 周五 下午9:40

收件人: Kranzley, Alexa J. <kranzleya@sullcrom.com>

Dear Alexa J.

I am writing to propose a direct and efficient resolution regarding my approved distribution under Claim No. #38517 (amount: USD 351,005.17, status: approved).

In the letter I previously submitted to the Court, I made it clear that I strongly request to ensure payment on the scheduled distribution date of September 30, 2025. One of the key reasons for this request is my current severe financial hardship. In light of these circumstances, I respectfully request that the Recovery Trust, on humanitarian and administrative grounds, process my distribution as an administrative payment and complete it before the August 12, 2025 hearing, so that I may have the opportunity to withdraw my letter from the Court.

I understand that the Trust already intends to make payment to me on September 30; therefore, making the payment earlier will not alter the substantive distribution outcome but will address the urgency of my situation. This would serve as a critical relief measure for my current financial condition.

I have also completed all pre-distribution requirements and have a fully linked Kraken account ready to receive the funds immediately.

If the Trust is able to confirm and execute this payment without delay, I will:

1. Immediately withdraw my current letter from the Court; and
2. Provide a written statement confirming that this matter is fully resolved and that no further Court oversight is necessary.

This arrangement would avoid unnecessary hearing time, reduce legal and administrative costs, and demonstrate the Trust's goodwill in responding to a creditor's genuine hardship.

Please let me know if the Trust is willing to proceed under this arrangement so we can coordinate the next steps.

Sincerely,

Shirong Wang

Subject: [EXTERNAL] Response to Request for Withdrawal of Court Letter – Claim #38517

Dear Alexa,

I acknowledge your request regarding the withdrawal of my recent letter filed with the United States Bankruptcy Court (Claim #38517).

Before I can consider any withdrawal, I require written confirmation from you that:

1. My claim (#38517) remains active, allowed, and in good standing, and that I have completed all pre-distribution requirements.
2. I am fully included in the eligibility list for the September 30, 2025 distribution, and the current "Disputed" status shown in Step 9 will not affect my inclusion.
3. Withdrawing my letter will not prejudice my rights in any way or limit my ability to raise issues with the Court in the future if necessary.

For your reference, I have attached a screenshot from my claims portal showing my claim amount of USD 351,005.17 as "ASSERTED," confirming the amount has not changed. This record will remain on file with the Court until I have received the written confirmation requested above.

Once I have received a written confirmation addressing the above points, I will review and consider your request. Until then, I will maintain my filing on the Court's docket to protect my rights.

Thank you for your understanding, and I look forward to your written reply.

Sincerely,

Shirong Wan

Subject: [EXTERNAL] Request for Written Confirmation and Removal of "Disputed" Status – Claim #38517

Dear FTX Recovery Trust,

Thank you for your recent email confirming that my claim (#38517) in the amount of USD 351,005.17 is active, allowed, and that I have completed all pre-distribution requirements.

However, when I log into my FTX claims portal, I still see the following:

1. Step 9 shows "Claim Status: Disputed" (see attached screenshot).
2. Claim Additional Info and Claim Detail pages both indicate status codes "D=Disputed" and "F=Foreign" (see attached screenshots).

This discrepancy is causing concern, as I want to ensure that my record is fully synchronized in the system and that there is no technical risk of being excluded from the September 30, 2025 distribution.

I respectfully request:

- Written confirmation that the "Disputed" and "Foreign" flags will not affect my eligibility for the September 30 distribution; and
- If possible, the removal of the "D=Disputed" flag in your system to avoid any potential technical exclusion.

Please treat this request as urgent due to the August 15, 2025 eligibility deadline.

Thank you for your prompt attention, and I look forward to your written confirmation.

However, when I log into my FTX claims portal, I see that Step 9 still shows the status “Disputed” (please see attached screenshot). Dear Alexa,

I acknowledge your request regarding the withdrawal of my recent letter filed with the United States Bankruptcy Court (Claim #38517).

Before I can consider any withdrawal, I require written confirmation from you that:

1. My claim (#38517) remains active, allowed, and in good standing, and that I have completed all pre-distribution requirements.
2. I am fully included in the eligibility list for the September 30, 2025 distribution, and the current “Disputed” status shown in Step 9 will not affect my inclusion.
3. Withdrawing my letter will not prejudice my rights in any way or limit my ability to raise issues with the Court in the future if necessary.

For your reference, I have attached a screenshot from my claims portal showing my claim amount of USD 351,005.17 as “ASSERTED,” confirming the amount has not changed. This record will remain on file with the Court until I have received the written confirmation requested above.

Once I have received a written confirmation addressing the above points, I will review and consider your request. Until then, I will maintain my filing on the Court’s docket to protect my rights.

Thank you for your understanding, and I look forward to your written reply.

Sincerely,

Shirong Wan

We are in receipt of both of your follow up emails. Please note that the 'disputed' status in step 9 will not be updated until closer to the September 30th distribution date. Please note, though, however, as I mentioned in my previous email, based on our books and records, your proof of claim number 38517, in the amount of \$351,005.17, is allowed and you have completed all of your pre-distribution requirements. Subject to final sanctions screening (which is done for all claims prior to distribution), you will be receiving a distribution on account of this claim on September 30, 2025.

Subject: [EXTERNAL] Request for Written Confirmation and Removal of "Disputed" Status – Claim #38517

Dear FTX Recovery Trust,

Thank you for your recent email confirming that my claim (#38517) in the amount of USD 351,005.17 is active, allowed, and that I have completed all pre-distribution requirements.

However, when I log into my FTX claims portal, I still see the following:

1. Step 9 shows "Claim Status: Disputed" (see attached screenshot).
2. Claim Additional Info and Claim Detail pages both indicate status codes "D=Disputed" and "F=Foreign" (see attached screenshots).

This discrepancy is causing concern, as I want to ensure that my record is fully synchronized in the system and that there is no technical risk of being excluded from the September 30, 2025 distribution.

I respectfully request:

- Written confirmation that the "Disputed" and "Foreign" flags will not affect my eligibility for the September 30 distribution; and
- If possible, the removal of the "D=Disputed" flag in your system to avoid any potential technical exclusion.

Please treat this request as urgent due to the August 15, 2025 eligibility deadline.

Thank you for your prompt attention, and I look forward to your written confirmation.

Sincerely,

Shirong Wang
